CALIFORNIA LEGISLATURE—1965 REGULAR (GENERAL) SESSION
ASSEMBLY BILL **No. 2011**

Introduced by Assemblyman Dills

March 24, 1965

REFERRED TO COMMITTEE ON MUNICIPAL AND COUNTY GOVERNMENT

An act to validate the withdrawal of certain territory from a highway lighting district, and declaring the urgency thereof, to take effect immediately.

The people of the State of California do enact as follows:

1 SECTION 1. Notwithstanding any other provision of law, all
2 proceedings taken by the City Council of the City of Gardena
3 in the County of Los Angeles between December 22, 1964, and
4 December 29, 1964, to withdraw certain of its incorporated
5 territory from the Los Angeles County Crenshaw Lighting
6 District, established pursuant to the Highway Lighting Dis-
7 trict Act (Part 4 (commencing with Section 19000), Division
8 14, Street and Highways Code), is hereby validated and the
9 withdrawal of the territory from said district is declared to
10 be completely effective; provided that any existing contracts
11 with the Southern California Edison Company are modified
12 or canceled by May 1, 1965, so as to relieve said district of any
13 obligation thereunder with respect to any of the withdrawn
14 territory.

15 SEC. 2. This act is an urgency measure necessary for the
16 immediate preservation of the public peace, health or safety
17 within the meaning of Article IV of the Constitution and shall
18 go into immediate effect. The facts constituting such necessity
19 are:

20 The City Council of the City of Gardena in December took
21 all the appropriate steps to withdraw certain of its incorpor-
22 ated territory from a highway lighting district, except that,

LEGISLATIVE COUNSEL'S DIGEST

AB 2011, as introduced, Dills (Mun. & C.G.). Lighting districts.

New law.

Validates and makes effective withdrawal of certain territory in the City of Gardena in Los Angeles County from designated highway lighting district upon certain conditions.

To take effect immediately, urgency measure.

1 inadvertently, it failed to have the Board of Supervisors of
2 the County of Los Angeles modify or cancel certain contracts
3 with the Southern California Edison Company executed on
4 behalf of the district under which the district is obligated to
5 maintain certain lighting facilities which modification or can-
6 cellation is required by law. The Southern California Edison
7 Company is agreeable to such modification or cancellation.
8 Along with the above withdrawal of territory, the city is
9 forming a new citywide lighting district which will levy as-
10 sessment on the territory withdrawn. Unless, the withdrawal
11 is immediately validated and made effective, as provided in
12 the act, the territory involved will be subject to taxation for
13 lighting by both the city and the districts. It is therefore nec-
14 essary that this act go into immediate effect.

O

DOMINANCE OF THE GREAT
COLUMBIAN RIVER
WATERWAY

The Columbia River, which flows from the Rocky Mountains to the Pacific Ocean, is the largest river in the United States by volume of water discharged into the sea. It is also one of the most important waterways in the world, carrying more than 100 million tons of cargo each year.

The river's main stem, which is about 1,200 miles long, flows through the states of Washington, Oregon, Idaho, Montana, Wyoming, Utah, Nevada, California, and Arizona. It empties into the Pacific Ocean at Astoria, Oregon.

The river's drainage basin covers more than 3 million square miles, making it one of the largest in the world. It is home to a wide variety of fish and wildlife, including salmon, steelhead trout, and cutthroat trout.

The Columbia River is also a major source of hydroelectric power. There are more than 100 dams along its length, generating over 10 billion kilowatt-hours of electricity each year.

The river's importance to the United States cannot be overstated. It is a vital link between the West and the rest of the country, providing a means of transportation and commerce that has shaped the nation's history.
